Seasonal Quilting

Someone at the September Tea described themselves as a “seasonal quilter”; (In other words, a quilter who tends to make projects to go with the season.) I think that many of us find that we celebrate seasons and holidays with our quilts. We give them as gifts or decorate our homes with them. It seems to be that way with me. I get in the seasonal mood by just working on quilting projects that correlate with the current season. Now that doesn’t automatically mean that I finish these during the year of the season in which I started them! I look at it this way. The Halloween quilt that I will begin this year will have some of it finished by the time Halloween rolls around next year and I suppose I could even get one of them finished to enjoy in a timely way.

Now I know some of you can’t relate but I happen to know that I am not alone in this. So as these temperatures and leaves fall and we are getting treats ready for those trick or treaters, get in the mood with some “seasonal” quilt projects.

Quilts of Valor

Our long arm quilters, members who make the tops and those who bind them have worked overtime since the last report. Within the last month 15 QOV have been awarded for a total this year of 51! The Veteran recipients continue to inspire me with their gratitude, their tears and sometimes even their monetary gifts. There is absolutely no expectation of this, but it goes to show what kind of folks stepped up to serve our country. I am humbled and grateful to be part of this amazing project. I continue to say Thank You to all of you who contribute your time and talent to support this cause. Please bring a willing heart and a sewing machine and join us Oct. 3rd. at Hearts to Holly Quilt Shop from 10-2:30. I promise you will have fun sharing a day with other generous quilters.
